

# The Conservative Index

Our fourth look at the 108th Congress shows how every member of the House and Senate voted on key issues, including foreign aid, national defense, and taxes.

## House Vote Descriptions

**31 Defunding U.S. Participation in UNESCO.** This amendment to the appropriations bill for the Commerce, Justice, and State Departments (H.R. 4754) would effectively end U.S. participation in UNESCO by defunding it. Introduced by Rep. Ron Paul (R-Texas), the amendment stated: “None of the funds made available in this Act may be used to pay expenses for any United States contribution to the United Nations Educational, Scientific, and Cultural Organization (UNESCO).” The U.S. rejoined UNESCO in 2002 after withdrawing from it in 1984.

The House rejected Paul’s amendment on July 7, 2004 by a vote of 135 to 283 (Roll Call 333). We have assigned pluses to the “yeas” because our national inde-

pendence must be preserved by getting out and staying out of the UN and all of its agencies, including UNESCO.

### **32 Defunding U.S. Participation in the United Nations.**

In addition to sponsoring an amendment to defund U.S. participation in UNESCO (House Vote #31 above), Rep. Ron Paul (R-Texas) also proposed an amendment to defund U.S. participation in the UN as a whole. The latter amendment stated: “None of the funds made available in this Act [H.R. 4754] may be used to pay any United States contribution to the United Nations or any affiliated agency of the United Nations.”

The House rejected Paul’s broader defunding amendment on July 7, 2004 by a vote of 83 to 335 (Roll Call 335). We have assigned pluses to the “yeas” because blocking U.S. funding of the UN would be a significant step toward getting out of the world body and fully restoring U.S. independence.

**33 Agriculture Appropriations.** This bill (H.R. 4766) would appropriate \$83.7 billion for agriculture, rural development, and nutrition programs in fiscal 2005. Over half (\$50.2 billion) of the funding in the so-called agriculture appropriations bill would be for domestic food and nutrition programs, including \$33.6 billion for the food stamp program and \$11.3 billion for child nutrition programs. Another \$27 billion would be for agricul-

ture programs, including \$16.5 billion for the Commodity Credit Corporation.

The House passed H.R. 4766 on July 13, 2004 by a vote of 389 to 31 (Roll Call 370). We have assigned pluses to the “nays” because federal aid to farmers and federal food aid to individuals are unconstitutional activities of the federal government.

### **34 Millennium Challenge Account.**

During consideration of the foreign aid appropriations bill (H.R. 4818), Rep. Ron Paul (R-Texas) offered this amendment to eliminate all of the funding for the Millennium Challenge Account. H.R. 4818 would provide \$1.25 billion for this account in fiscal 2005, 25 percent more than in fiscal 2004, for the purpose of rewarding nations for progress in human rights, economic policy, and democracy. During floor debate, Paul noted that this year-old program was originally viewed as “a transition from one form of foreign aid to another,” but it instead “was just added on.”

The House rejected Paul’s amendment on July 15, 2004 by a vote of 41 to 379 (Roll Call 383). We have assigned pluses to the “yeas” because foreign aid is unconstitutional. Subsequently, the House voted on the entire \$19.4 billion foreign aid bill (see House Vote #36 below).

### **35 UN Inspections of U.S. Elections.**

Rep. Steve Buyer (R-Ind.) proposed an amendment to add the following language to the foreign aid appropriations bill: “None of the funds made available in this Act [H.R. 4818] may be used by any official of the United States Government to request the United Nations to assess the validity of elections in the United States.” Buyer was responding to the fact that nearly a dozen members of the House had written to UN Secretary-General Kofi Annan requesting “to have election observers to

monitor the Presidential election in the United States” on November 2.

The House adopted Buyer’s amendment on July 15, 2004 by a vote of 243 to 161 (Roll Call 385). We have assigned pluses to the “yeas” because such UN monitoring could open the door to UN interference in our elections.

**36 Foreign Aid.** The foreign aid appropriations bill (H.R. 4818) would provide \$19.4 billion in fiscal 2005, an 11 percent increase over fiscal 2004 funding.

The House passed H.R. 4818 on July 15, 2004 by a vote of 365 to 41 (Roll Call 390). We have assigned pluses to the “nays” because foreign aid is unconstitutional.

**37 Marriage Protection Act.** This bill (H.R. 3313) would protect marriage from judicial activism by restricting the federal courts as opposed to amending the Constitution. Specifically, H.R. 3313 would stipulate that “no court created by Act of Congress shall have any jurisdiction, and the Supreme Court shall have no appellate jurisdiction” to interpret, or rule on the constitutionality of, Title 28, Section 1738C of the U.S. Code. Section 1738C states that no state, territory, or possession of the U.S. “shall be required to give effect” to same-sex “marriages” performed under the laws of another state, territory, or possession.

H.R. 3313 would not prohibit the federal courts from hearing all same-sex “marriage” cases, since it is narrowly worded. A more broadly written measure would have been better. Nevertheless, H.R. 3313 would be a step in the right direction.

The House passed H.R. 3313 on July 22, 2004 by a vote of 233 to 194 (Roll Call 410). We have assigned pluses to the “yeas” because H.R. 3313 would help protect marriage via a long-neglected congressional check on the federal judiciary. Later in the year, the House voted to protect the Pledge of Allegiance by employing the same power (see House Vote #39).

**38 Labor-HHS-Education Appropriations.** This mammoth appropriations bill (H.R. 5006) would provide \$496.6 billion in fiscal 2005, including \$374.3 billion for the Department of Health and Human Services, \$60.3 bil-

lion for the Department of Education, and \$14.9 billion for the Department of Labor. Total fiscal 2005 appropriations would be 3.5 percent higher than fiscal 2004 appropriations.

The House passed H.R. 5006 on September 9, 2004 by a vote of 388 to 13 (Roll Call 440). We have assigned pluses to the “nays” because these departments are not authorized by the Constitution.

**39 Pledge Protection Act.** This bill (H.R. 2028) is similar to the Marriage Protection Act (House Vote #37 above) in that it would counter judicial activism by reining in the federal courts as opposed to amending the Constitution. H.R. 2028 states: “No court created by Act of Congress shall have any jurisdiction, and the Supreme Court shall have no appellate jurisdiction, to hear or decide any question pertaining to the interpretation of, or the validity under the Constitution of, the Pledge of Allegiance ... or its recitation.” This legislation would prevent the federal courts from ruling that the phrase “under God” in the Pledge of

Allegiance is unconstitutional.

The House passed H.R. 2028 on September 23, 2004 by a vote of 247 to 173 (Roll Call 467). We have assigned pluses to the “yeas” because H.R. 2028 would protect the Pledge of Allegiance from federal court activism.

**40 Extending Tax Cuts.** The final version (conference report) of this tax-cut legislation (H.R. 1308) would benefit most Americans by extending the life of several middle-class tax breaks set to expire at the end of this year. It would extend provisions providing relief from the “marriage penalty” through 2008, extend the \$1,000 per child income tax credit through 2009, and keep a greater number of taxpayers in the 10 percent income tax bracket through 2010. It would also revive some expired business tax incentives.

The House adopted the conference report on H.R. 1308 on September 23, 2004 by a vote of 339 to 65 (Roll Call 472). We have assigned pluses to the “yeas” because the bill would extend the life of tax cuts, benefiting a large number of Americans.

## About This Index

“The Conservative Index” rates congressmen based on their adherence to constitutional principles of limited government, to fiscal responsibility, to national sovereignty, and to a traditional foreign policy of avoiding foreign entanglements. Preserving our Constitution, the freedoms it guarantees, and the moral bedrock on which it is based is what the word “conservatism” once meant — and how it is being applied here.

To learn how any representative or senator voted on the key measures described herein, look him up in the tables on pages 18-23. The scores are derived by dividing a congressman’s conservative votes (pluses) by the total number he cast (pluses and minuses) and multiplying by 100. (A “?” indicates that a congressman did not vote, and a “P” indicates that he voted “Present.” If a congressman cast fewer than five votes in this index, a score is not assigned.)

The average House score for this index (votes 31-40) is 34 percent; the average Senate score is 57 percent. Representatives Trent Franks (R-Ariz.), Jeff Flake (R-Ariz.), Tom Tancredo (R-Colo.), and Ron Paul (R-Texas) scored 100 percent. Senators Richard Shelby (R-Ala.), Wayne Allard (R-Colo.), Peter Fitzgerald (R-Ill.), Pat Roberts (R-Kan.), Trent Lott (R-Miss.), Conrad Burns (R-Mont.), John Sununu (R-N.H.), Pete Domenici (R-N.M.), and Don Nickles (R-Okla.) also earned perfect scores.

We encourage readers to examine how their own congressmen voted on each of the 10 key measures in this index as well as overall. Our first index for the 108th Congress (votes 1-10) appeared in our July 14, 2003 issue, our second index (votes 11-20) appeared in our December 29, 2003 issue, and our third index (votes 21-30) appeared in our July 12, 2004 issue.

We also encourage readers to commend legislators for their conservative votes and to urge improvement where needed. For congressional contact information go to [www.thenewamerican.com/congress/](http://www.thenewamerican.com/congress/).

## Senate Vote Descriptions

**31 Nuclear Weapons Study.** Sen. Ted Kennedy (D-Mass.) sponsored this amendment to prohibit the use of \$36.6 million authorized by the Defense authorization bill (S. 2400) for two feasibility studies into options for modernizing our nuclear stockpile — one pertaining to “bunker buster” weapons that would explode deep underground, and the other an Advanced Concepts Initiative including research into a “low yield” nuclear weapon. Sen. Wayne Allard (R-Colo.), who opposed Kennedy’s amendment, noted that our existing nuclear stockpile “was developed for a massive nuclear exchange with one nation. Today, these weapons are too powerful and may result in greater damage than necessary to neutralize a target.”

The Senate rejected Kennedy’s amendment on June 15, 2004 by a vote of 42 to 55 (Roll Call 113). We have assigned pluses to the “nays” because national defense is a constitutional function of the federal government.

**32 Hate Crimes.** Sen. Gordon Smith (R-Ore.) proposed a measure, in the form of an amendment to the Defense authorization bill (S. 2400), to expand the definition of “hate crimes” to include assaults based on sexual orientation, gender, or disability. Current federal hate crimes law imposes stricter sentences when assaults are based on race, ethnicity, or religion.

The Senate adopted Smith’s amendment on June 15, 2004 by a vote of 65 to 33 (Roll Call 114). We have assigned pluses to the “nays” because Smith’s amendment would further federalize the criminal code, and because “hate crimes” measures are intended to punish not just criminal acts but the thoughts behind them.

**33 Missile Defense.** During consideration of the Defense authorization bill (S. 2400), Sen. Barbara Boxer (D-Calif.) offered an amendment that would prohibit deployment of a ground-based system of missile interceptors until “the Secretary of Defense certifies ... that the capabilities of the system ... have been

confirmed by operationally realistic testing of the system.” The problem with Boxer’s amendment is that the system cannot be operationally tested without initial deployment, scheduled for later in the year in Alaska. “If you prohibit this ‘deployment,’ you prohibit operationally realistic testing — and prevent the very basis for the certification that the amendment requires,” noted Senate Armed Services Committee Chairman John Warner (R-Va.).

The Senate rejected Boxer’s amendment on June 17, 2004 by a vote of 42 to 57 (Roll Call 124). We have assigned pluses to the “nays” because national defense is a constitutional function of the federal government.

**34 Tax Rate Increase.** Sen. Joe Biden (D-Del.) proposed a measure, in the form of an amendment to the Defense authorization bill (S. 2400), to increase the top income tax rate from 35 percent to 36 percent, starting in 2005 and lasting until 2010. The additional revenue would be earmarked for security and stabilization operations in Iraq.

**Hands off the Pledge!** The House voted on September 23 to deny all federal court jurisdiction to re-write the Pledge of Allegiance by removing the phrase “under God.” This was a long-overdue assertion of Congress’ constitutional authority to rein in rogue judges. (See House Vote #39.)

The Senate rejected Biden's amendment on June 17, 2004 by a vote of 44 to 53 (Roll Call 130). We have assigned pluses to the "nays" because the amendment would increase taxes.

**35 Missile Defense.** Sen. Carl Levin (D-Mich.) offered an amendment to shift \$515.5 million in the Defense authorization bill (S. 2400) from ground-based missile interceptors to nuclear nonproliferation programs and homeland security.

The Senate rejected Levin's amendment on June 22, 2004 by a vote of 44 to 56 (Roll Call 133). We have assigned pluses to the "nays" because the U.S. needs a means of protecting the homeland against incoming ballistic missiles.

**36 Budgeting for Overseas Military Operations.** During consideration of the Defense appropriations bill (H.R. 4613), Sen. Robert Byrd (D-W.Va.) proposed a nonbinding amendment urging that the president include in his annual budget "any request for funds ... for an ongoing military operation overseas, including operations in Afghanistan and Iraq," and that such funding should be appropriated in regular accounts. In remarks on the Senate floor, Byrd expressed frustration that the administration has failed to estimate war costs and has made "stop-gap" and "emergency supplemental" spending requests that have caused mistakes in materiel requisitions — the failure to request sufficient funds for body armor, for instance. Byrd described his amendment as "a simple, common-sense approach that promotes fiscal responsibility."

The Senate adopted Byrd's amendment on June 24, 2004 by a vote of 89 to 9 (Roll Call 147). We have assigned pluses to the "yeas" because his amendment would encourage fiscal responsibility.

**37 Foreign Aid.** During consideration of the Defense appropriations bill (H.R. 4613), Sen. Joe Biden (D-Del.) proposed an amendment to add \$118 million in emergency funding "to respond to the humanitarian crisis in the Darfur region of Sudan and in Chad." The \$118 million would be on top of \$95 million already provided by the bill for that purpose.

The Senate agreed to a motion to table

(kill) Biden's amendment on June 24, 2004 by a vote of 53 to 45 (Roll Call 148). We have assigned pluses to the "yeas" — that is, those who voted to kill the amendment — because foreign aid is unconstitutional.

**38 FDA Regulation of Tobacco.** During consideration of a corporate tax bill (H.R. 4520), Sen. Mike DeWine (R-Ohio) offered an amendment to authorize the FDA to regulate tobacco for the first time and to couple this new regulation with a \$12 billion, 10-year buyout to pay tobacco farmers for relinquishing government quotas governing how much tobacco they can grow. The FDA would be authorized to ban many ingredients in cigarettes, but Congress would retain veto power over any regulatory attempt to ban nicotine in cigarettes or to ban cigarettes completely.

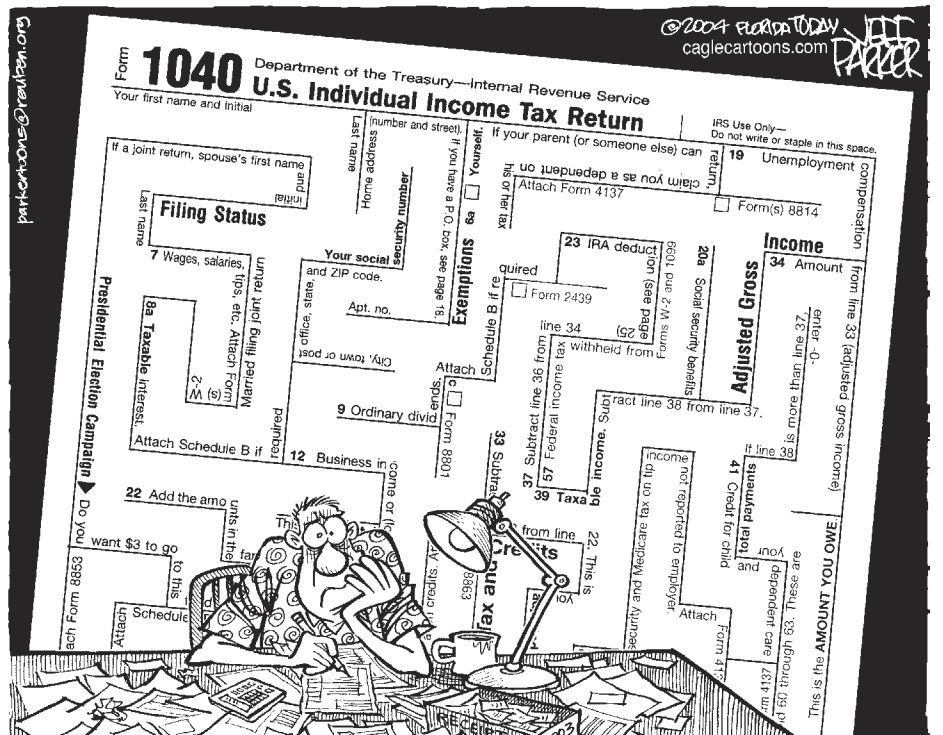

The Senate adopted DeWine's amendment on July 15, 2004 by a vote of 78 to 15 (Roll Call 157). We have assigned pluses to the "nays" because the FDA should not be regulating tobacco like a pharmaceutical drug.

**39 Federal Funding of First Responders.** During consideration of the Homeland Security appropriations bill

(H.R. 4567), Sen. Chris Dodd (D-Conn.) proposed an amendment to increase funding by \$15.8 billion for police, fire fighters, and other local and state emergency personnel. It would also require the Secretary of the Treasury to "take such action as is necessary" to offset this additional expense by reducing tax savings under the 2001 tax law for individuals making \$1 million or more.

A point of order was raised against Dodd's amendment based on Budget Act requirements, and that, in turn, led to a motion to waive the point of order. The Senate rejected the motion — thereby killing the amendment — on September 9, 2004 by a vote of 41 to 53 (Roll Call 170). We have assigned pluses to the "nays" because federal funding of local law enforcement will lead to more federal control, and the federal government should not be funding local law enforcement in the first place.

**40 Extending Tax Cuts.** This legislation is described under House Vote #40. The Senate adopted the conference report on H.R. 1308 on September 23, 2004 by a vote of 92 to 3 (Roll Call 188). We have assigned pluses to the "yeas" because the bill would extend the life of tax cuts, benefiting a large number of Americans. ■

# House Vote Scores

|                       | Votes: 31-40 | 31 | 32 | 33 | 34 | 35 | 36 | 37 | 38 | 39 | 40 | 1-40 |
